Subject: COMPLIANCE OF THE SPP RULES, 2010 - VERIFICATION OF BID SECURITY AND PERFORMANCE SECURITY INSTRUMENTS

As per Rule-37(3) and 39(4) of the SPP Rules, 2010, it is mandatory for the Procuring Agencies to verify the Bid Security and Performance Security instruments respectively submitted by the bidders in the following form or manner:

Cost of the Bid / Performance Security	Verification by
Upto Rs. 50.00 Million	Issuing Agency
Above Rs. 50.00 Million	Head Office of the issuing Agency

2. Whereas, it has been observed that a large number of the Procuring Agencies do not verify the bid security and performance security instruments submitted by bidder(s) prior to the announcement of bid evaluation result and signing of the contract with successful

bidder(s), respectively. This is not only violation of above mentioned SPP Rules, 2010 but may also result in unnecessary delays in procurements

3. In view of the above, it is requested that all procuring agencies under your administrative control may be directed to verify the Bid Security and Performance Security instruments as per Rules and uploaded the same on SPPRA website along with Bid Evaluation Report (BER) and Contract Documents respectively as per enclosed format in order to avoid the procurement process to be declared as Mis-Procurement under Rule-32(A) of the SPP Rules, 2010 read with Section 2(1) of SPP Act, 2009.

SUBJECT: COMPLIANCE OF SINDH PUBLIC PROCUREMENT (SPP) RULES, 2010

It is to inform that Sindh Public Procurement Rules, 2010 focus on transparency, value for money, efficiency and accountability; therefore, disclosure of information is critical for ensuring that the bidding process is objective, fair and transparent. Rule-31(5, 6 & 7) of Sindh Public Procurement Rules, 2010 stipulate as under:

“31. Mechanism for Redressal of Grievances

(5) The complaint redressal committee shall announce its decision within seven days and intimate the same to the bidder and the Authority within three working days. If the committee fails to arrive at the decision within seven days, the complaint shall stand transferred to the Review Committee which shall dispose of the complaint in accordance with the procedure laid down in rule 32; if the aggrieved bidder files the review appeal within ten (10) days of such transfer.

(6) The Procuring Agency shall award the contract after the decision of the complaint redressal committee;

(7) Mere fact of lodging of a complaint shall not warrant suspension of the procurement proceedings;

Provided that in case of failure of the complaint redressal committee to decide the complaint; the procuring agency shall not award the contract, until the expiry of appeal period or the final adjudication by the Review Committee.

2. However, it has been observed that most of the procuring agencies do not conduct meetings of the complaint redressal committees upon receipt of the complaint, which is blatant violation of Rule-31 of SPP Rules, 2010.

3. It is therefore, necessary that the procuring agencies under your administrative control may be directed to upload the certificate duly signed by the Procurement Committee and Head of Procuring Agency certifying therein that complaints received have been resolved and uploaded on the website of the Authority or the procuring agency / complaint redressal committee has not received any complaints related to the instant procurement process, as the case may be. This certificate must be uploaded on the website of the Authority at the time of hoisting of bid evaluation report and contract documents.

4. It may be noted that in terms of Section 2(i) of Sindh Public Procurement Act, 2009 procurement in contravention of any provision of SPP Act, 2009, or Rules, 2010, regulations, orders or instructions made there under or any other law in respect of, or relating to, public procurement may render the procurement process as a Mis-procurement.
